This Limited Warranty applies only if each of the following conditions are met:

- MicroPro/LifeWood Wood Product must be used only in residential or agricultural applications and as specified on the ink stamp and/or end tag attached to the MicroPro/LifeWood Wood Product.
- Specified in the manufacturer's directions for proper application.
- All signs, logos, and trademarks used, in conjunction with, or to wrap or encapsulate MicroPro/LifeWood Wood Product, or structural failure resulting from such an occurrence. The delamination of MicroPro/LifeWood Wood Product including plywood and other laminated wood products.
- Mold, mildew, or fungal growth on MicroPro/LifeWood Wood Product that is aesthetic.
- Moisture content of MicroPro/LifeWood Wood Product is greater than 19%.
- Above Ground MicroPro/LifeWood Wood Product must be used only in the "Above Ground" applications.
- "Above Ground" MicroPro/LifeWood Wood Product is not in contact with soil, placed on or near soil with a soil/water contact, or in contact with underground utilities.
- "Above Ground" MicroPro/LifeWood Wood Product must be treated with MicroPro/LifeWood Wood Product and delivered in accordance with the manufacturer's directions for the installation.

WARRANTY EXCLUSIONS
This Limited Warranty does not cover:

- Commercial or industrial structures, wood foundation systems, wood exposed to salt or brackish water, walking bowls or building timbers in structural applications, commercial vineyard stakes, ladders, peaer core landscape timbers, shingles, specialty items, such as spindles, ball tops, lattice and railing or any other products that have been modified after treatment.
- The structural failure of projects or structures containing any MicroPro/LifeWood Wood Product where the MicroPro/LifeWood Wood Product has been used in contact with soil or in an improper application, or other conditions that could simulate a ground contact exposure.
- The structural failure of Above Ground MicroPro/LifeWood Wood Product caused by the "weathering" of wood, including but not limited to the building materials that have been used in an improper application or in contact with any other construction with any evidence of decay.
- The structural failure of "Above Ground" MicroPro/LifeWood Wood Product used in contact with the ground, fresh water, or other conditions that could simulate a ground contact exposure. The parties agree that they will resolve their disputes on an individual basis, and that any claims brought under this Limited Warranty or in connection with the MicroPro/LifeWood Wood Product must be brought in the parties' individual capacity, and not as a plaintiff or class member in any purported class, collective, or representative proceeding. The parties further agree that they shall not file any action for breach of this Limited Warranty must be commenced within one (1) year after you knew or should have known of the occurrence of the structural failure.

HOW TO MAKE CLAIMS
To make a claim under this Limited Warranty, within thirty (30) days of discovery of a defect, send photographs and a description of the structural failure along with the MicroPro/LifeWood Wood Product purchase receipt(s) to your lumber dealer or contractor/builder. In addition, KPC requires an itemized list of MicroPro/LifeWood Wood Product that structurally fails and an end tag from each piece of MicroPro/LifeWood Wood Product. Send this information to Koppers Performance Chemicals Inc.
